Dear Anthony

I was so sorry to read that Nick had died. I knew that he had been unwell for a long time, nevertheless the news was a shock.

I recall Nick as a kind, caring man. I recall his intervention at General Court during my

Years as Master suggesting that
our formation of Acon Ltd amounted
to A Con! → what fun!

Angela joins me in sending
our condolences to you and
all your family.

With our prayers as ever

Adnani
