

Spring Lanes House
18th May 2016

Dear Master,

Thank you very much for your
kind letter of sympathy and
condolence.

Our brother Nick was a remarkable
man, sui generis, of high intellect
and integrity. He has been a
positive influence on many
people, and we'll look on him
with love and affection, and
gratitude for the part he has
played in our lives.

Yours on
Anthony
